

New World Digital Entertainment has partnered with iPAK DVD to provide the marketplace with state-of-the-art fulfillment services. iPAK has 160,000 square feet of warehousing space in Irwindale, California. By New World aligning itself with iPAK DVD, this allows us to provide eCommerce fulfillment for your B2B, B2C, and domestic or international needs.

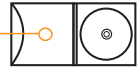

iPAK DVD has been a leader in the eCommerce fulfillment service and CD/DVD packaging industry for over 14 years. Its parent company, Arion International, is the leader of CD/DVD case packaging import.

Through the strong alliance of New World and iPAK DVD, we can provide the consumer the highest quality of service at very competitive pricing for your packaging and fulfillment needs.
