authoring & replication

AN INDUSTRY LEADER IN
BLU-RAY™ AUTHORIZING & REPLICATION

BLU-RAY™ AUTHORIZING & REPLICATION

Take your **movies**
to the next level
with **BLU-RAY™** authoring.

New World and Mesmer Media have the in-house ability to author, digitize, encode, master and replicate retail-ready products. We currently utilize the services of Audio Dev testing on all Blu-Ray DVDs replicated.

Audio Dev testing of Blu-Ray has become the recognized standard of excellence within the industry. Audio Dev services are being retained by the likes of:

- ▶ Technicolor
- ▶ Cinram
- ▶ CMC
- ▶ Microsoft
- ▶ Pioneer
- ▶ Ritek Corp.
- ▶ Moser-Baer India

New World Digital Entertainment maintains a 180,000 square foot warehouse, located near Pasadena, California. We offer complete fulfillment: pick, pack and ship; an internet/website integration system and merchant solutions. New World is able to offer its clients a one-stop solution for all of their B to C (business to customer) needs.
